

Nano Labs Subsidiary Nano bit to Launch Bitcoin Business, Advancing Global Innovation Strategy

Dec 30, 2024 at 8:00 AM EST

HONG KONG, Dec. 30, 2024 /PRNewswire/ -- Nano Labs Ltd (Nasdaq: [NA](#)) ("we," the "Company," or "Nano Labs"), a leading fabless integrated circuit design company and product solution provider in China, today announced that the Company has officially renamed its wholly-owned subsidiary Tsuki HK Limited to Nano bit HK Limited. Following this strategic rebranding, Nano bit HK Limited is expected to develop Bitcoin-related businesses and initiatives within the Bitcoin ecosystem, marking a significant milestone in the Company's global technological innovation and ecosystem strategy.

Nano bit's new business initiatives reflect Nano Labs' commitment to its long-term vision of driving blockchain infrastructure innovation and expanding its presence in global markets. The Company remains steadfast in its commitment to advancing technological innovation, fostering ecosystem growth, and delivering sustainable value and growth opportunities for its clients and partners.

About Nano Labs Ltd

Nano Labs Ltd is a leading fabless integrated circuit ("IC") design company and product solution provider in China. Nano Labs is committed to the development of high throughput computing ("HTC") chips, high performance computing ("HPC") chips, distributed computing and storage solutions, smart network interface cards ("NICs") vision computing chips and distributed rendering. Nano Labs has built a comprehensive flow processing unit ("FPU") architecture which offers solution that integrates the features of both HTC and HPC. Nano Lab's Cuckoo series are one of the first near-memory HTC chips available in the market*. For more information, please visit the Company's website at: ir.nano.cn.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and as defined in the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements include, without limitation, the Company's plan to appeal the Staff's determination, which can be identified by terminology such as "may," "will," "expect," "anticipate," "aim," "estimate," "intend," "plan," "believe," "potential," "continue," "is/are likely to" or other similar expressions. Such statements are based upon management's current expectations and current market and operating conditions, and relate to events that involve known or unknown risks, uncertainties and other factors, all of which are difficult to predict and many of which are beyond the Company's control, which may cause the Company's actual results, performance or achievements to differ materially from those in the forward-looking statements. Further information regarding these and other risks, uncertainties or factors is included in the Company's filings with the Securities and Exchange Commission. The Company does not undertake any obligation to update any forward-looking statement as a result of new information, future events or otherwise, except as required under law.
